

ACORN REUSE CENTRE LA COLLETTE

Help us to create jobs, save the environment and support our community.

Acorn Reuse Centre is an exciting new social enterprise project which is part of the Jersey Employment Trust charity. This project will benefit our environment by reusing and upcycling tonnes of unwanted items, providing training and employment opportunities for local people in the process.

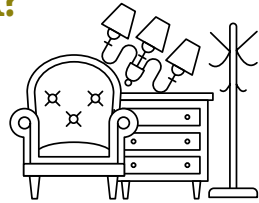

How will Acorn Reuse Centre work?

1.

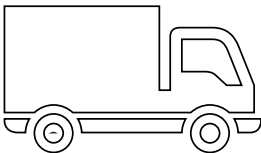

The public will take items they no longer want to the Acorn Reuse Centre at the new Household Reuse and Recycling Centre at La Collette, which will be open every day from January 2017.

2.

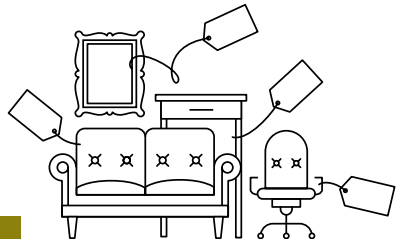

Staff, the majority being paid Jersey Employment Trust clients, at the reuse drop-off facility will sort the items to select those, such as furniture and white goods, which can be reused, repaired, upcycled or creatively transformed.

3.

Suitable items will be transported to the Acorn Reuse Centre at Trinity or given to local partner charities which include Mind Jersey, Autism Jersey and Headway Jersey.

4.

Items will be checked, repaired or upcycled, to national reuse standards, before being sold at the Acorn Reuse Centre at Trinity, where among many other things there will be furniture, domestic appliances, toys and bric-a-brac.

SEE OVERLEAF FOR ITEMS WE CAN ACCEPT AND OUR OPENING HOURS
